

Swiss precision for excellent audio quality

VOICE TECHNOLOGIES

VT506 Miniature Omni Lavalier Microphone

A classic. Brilliant sound.

The Voice Technologies VT506 is a high-quality and RF protected electret condenser microphone (omni).

It is designed for performing talent in broadcast, theatre and film. It has a rising frequency response to assure speech intelligibility and for under-clothing use. The molding injection adds a high solidity to the VT506. Voice Technologies counts also on an especially flexible cable, which has excellent isolation from rubbing noise.

The Voice Technologies VT506 comes in the solid, waterproof VTO box with the following accessories:

- Alligator Clip
- Professional Windscreen
- Tie Tac Clip
- Dracula Mount
- Rubber Body Mount

The VT506 is alternatively available as VT506Eco Version in a small plastic box with the following accessories:

- Alligator Clip
- Professional Windscreen

Application area: Broadcast - Theatre - Film
