

Swiss precision for excellent audio quality

VOICE TECHNOLOGIES

VT910DC Earhanger Microphone

Perfect ergonomics for live & broadcast.

The Voice Technologies VT910DC is a super light omni condenser ‚Earhanger‘ microphone. Ideal for use on stage or broadcast applications requiring minimum visibility.

The VT910DC is flexible, with a lightweight contoured loop for a universal fit on either ear. It remains less apparent than a conventional headset and more comfortable for extended wear. The cable is detachable.

Application area: Live - Broadcast - Stage - Presentations
