## VT DUPLEX-VOCAL Vocal Headworn Microphone

Let the audience hear your real voice.

The successful VT Duplex is now available as a Vocal version being ideal for singers and stage performers. With its Omnidirectional capsule it masters high sound pressure levels and boasts very low self-noise. The miniature capsule with a diameter of only 3mm is placed in a robust waterproof housing. The adjustable headband is extremely comfortable and available in two sizes. The mic boom is flexible and can be worn either on left or right side.

The VT DUPLEX-VOCAL is available in two sizes, making it a perfect fit for both adults and children. The flexible gooseneck and the exchangeable cable guarantee maximum versatility. The headworn microphone VT DUPLEX-VOCAL is delivered with the innovative, nearly invisible windscreen Wsi.

**Application area:** Theatre - Stage
