

# QUICK START GUIDE DISTANCE HOLDER

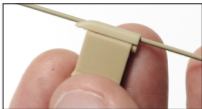

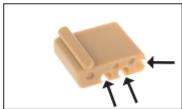

**COMPATIBLE WITH:**  
VT-DUPLEX, VT-DUPLEX VOCAL, VT DUPLEX 500,  
VT-DUPLEX CARDIOID, VT901MKII

Swiss precision for excellent audio quality

**VOICE TECHNOLOGIES**

**1. The Distance Holder prevents noise trough skin contact and can be placed in three different positions. Choose one of the three positions and mount the mic boom to the Distance Holder**

**2. Mount the holder on the earpart of the VT-DUPLEX SERIE / VT901MKII Microphone and enjoy trouble-free microphone sound.**
